## National Carwash Solutions Partners With TSS Car Wash Services

**Grimes, Iowa** (August 8, 2018) – National Carwash Solutions (NCS), the world’s premier provider of car wash systems, cleaning solutions and maintenance services is very proud to announce its strategic partnership with TSS Car Wash Services (TSS). TSS is the industry’s leading customized carwash design solutions supplier located in Warren, Michigan. TSS provides the very best in car wash consultation, LED lighting, creative design, customized signage and systems, wash package solutions and marketing services to their car wash customers.

National Car Wash Solutions is the parent company of the industry’s leading brands including MacNeil, Ryko and Clean Touch. NCS has also partnered with the very best car wash distributors in North America including Hi-Performance Wash Systems, Auto-Clean, Arizona Car Wash Systems, Complete Car Wash, NuLook and Badger Land. These partnerships have strengthened NCS’s dominant position offering the nation’s only direct service network to meet the business needs of car wash operators. TSS adds considerable fire power to NCS’s arsenal of bundled product and service offerings. TSS recently tripled the company’s footprint moving into a new 100,000 square foot facility to accommodate increased demand and future growth. TSS also invested into new technologies to continue to offer world-class innovation. TSS will continue to provide the same great sales, service and support to all customers as they have since 1990.

“We are constantly looking for the right strategic partners to join the NCS family” said Michael Gillen, CEO of NCS, “TSS is a perfect fit to our brand portfolio. We couldn’t be more thrilled to partner with such an innovative company. TSS is the leading provider of customized car wash solutions, marketing products and services. TSS has made a long-term commitment to quality custom products, resulting in over 28 years of continued growth. We’re very excited to join with TSS and their management team.”

“We’re convinced that NCS is the right strategic partner for us with resources and market leadership that will expand our capabilities. We couldn’t be happier to become part of the NCS family,” said Bobby Jones, Vice President at TSS. “We both share a vision to make our car wash customers more profitable through exceptional innovative products and service,” adds Abe Basha, Vice President at TSS.”

#### **About TSS Car Wash Services**

TSS Car Wash Services is a leading provider of custom design solutions to car wash operators nationally. TSS isn't a reseller. Instead, TSS designs and manufactures all of its products in-house, with unprecedented customization. Its in-house designers create mass-produced products for all customers, while also working with customers in a consultative role to custom design solutions for their specific carwashes. With decades of experience, they've exceeded expectations by setting the standard as an industry leader. Their products not only add excitement to a car wash, they also help carwash owners maximize their profits.

Since 1990, their success has been derived from their focus on cultivating their car wash expertise so they are best able to serve their customers. TSS offers the products and services they know will help their car wash operators become more profitable with the very best car wash signage, marketing solutions and services to attract and retain more consumers.
