

## National Carwash Solutions Announces New Innovations at NACS

**Grimes, Iowa – (October 8, 2018)** – [National Carwash Solutions](http://NationalCarwashSolutions.com) (NCS), the nation’s premier manufacturer of commercial car wash systems, cleaning solutions and maintenance services, is pleased to announce exciting new innovations at this year’s NACS show. First, is the launch of [new e-commerce platform](#), with more than 350 equipment and service parts now available online. NCS customers have the ability to purchase premier parts, brushes, chemicals and tech supplies at the click of a button.

The online products available for purchase come from all NCS sites, including Ryko and MacNeil. All purchases can be made with a credit card directly on each site, orders can be processed and shipped out within 24 hours.

“Allowing our customers to order parts online is just another way we are making it convenient to do business with NCS,” said Ronnie Vickers, VP of Operations for NCS. “We will continue to grow our inventory online, so that you the customer can have easy access to car wash parts.”

Ryko is also unveiling a new enhancement to their wash package system called WashBuilder at the [2018 NACS show](#) in Las Vegas.

WashBuilder is a new and enhanced wash package customization program that gives you the ability to configure Ryko wash packages down to the individual pass level. In addition, WashBuilder comes with enhanced memory, faster processing and advanced features that give your car wash more flexibility in configuration than ever before. WashBuilder is now available on the SoftGloss Maxx 3 Brush for immediate delivery.

In addition to the WashBuilder, Ryko will be showcasing a few other new product innovations at NACS:

- **PaySmart XT Series** – As the industry’s “most intelligent and stylish teller,” the newly designed PaySmart provides unique customer experiences and high-speed functionality. It offers two screens; the optional top screen can be used for advertising messaging and one for assisting customers.
- **New LED Covers** – New LED lighting packages are now available for SoftGloss MAXX systems. These high intensity colored LED lights provide an exciting light show, coordinated to wash cycles. This feature attracts more customers to the car wash bay.
- **TSS Digital Menu** - The Digital I-Menu is the latest innovation from TSS. Increase revenues at your car wash site with a menu that will keep you ahead of the competition and wow your customers. Start driving top wash package sales with this modern, sleek LED menu.

Ryko will be exhibiting in the Central Hall at Booth #7513 throughout the 2018 NACS Show and will be available to showcase new products and answer car wash questions.
