

GRIMES, Iowa, January 4, 2022 /PRNewswire/ --

National Carwash Solutions (NCS), the world's premier provider of end-to-end car wash solutions, is very pleased to announce its strategic partnership with BayWatch Enterprises (BayWatch), adding a new, best-in-class product line to our bundled solution, which is supported by the largest direct car wash installation and service company in North America, powered by NCS.

"We are delighted to partner with BayWatch, the leading manufacturer of car wash bay doors, and other value-added car wash components and technology solutions, as we continue our quest to offer our outstanding customer base of wash operators a one-stop shop for car wash products and services." said Michael Gillen, CEO of National Carwash Solutions. "BayWatch is the leading manufacturer in its category and has created a reliable, high-quality product that stands up against challenging environmental and operating conditions. Under the leadership of Tom Townsend and Sandy Bass, BayWatch has developed an outstanding team and cultivated a top-tier customer base. We are thrilled to welcome Tom, Sandy, and their team to the NCS family."

BayWatch, founded in 1995, is a full-service manufacturer of car wash doors, heaters, and automated operating technology for car wash operators. The Company provides design, installation, and direct territory service to industry-leading customers, and its products are widely known for their superior design, quality, and performance in harsh weather environments. BayWatch manufactures its products in Englewood, Colorado, and provides maintenance and installation services across the US and Canada.

"NCS shares our desire to provide the highest quality products and services. The combined vision to pair our technologies for the ultimate benefit of our customers was something that Tom and I could not pass up. We're extremely excited for this new opportunity," said Sandy Bass, President of BayWatch.

"Baywatch has grown significantly over the past few years. I can think of no better way to take this company to the next level than to partner with an industry leader like NCS," said Tom Townsend, Founder and CEO of BayWatch.

NCS has also partnered with some of the very best car wash distributors in North America, including Hi-Performance Wash Systems, Auto-Clean, Arizona Car Wash Systems, Complete Car Wash, NuLook, Badger Land, Carwash Solutions, Car Wash Services of Arizona, Big Man Washes, West Coast Car Wash Concepts, Carolina Pride, CleanEdge, and Mondo. These partnerships have solidified NCS's dominant market position in profitable solutions, offering the nation's only direct service network to meet the business needs of car wash operators across the United States and Canada. The National Carwash Solutions team is very pleased about the new partnership with BayWatch.
